ABOUT US

The Ontario Invasive Plant Council (OIPC) was founded in 2007 by a group of individuals and organizational representatives who saw the need for a coordinated provincial response to the growing threat of invasive plants. Today, the OIPC is a recognized authority on invasive plants in Ontario, providing resources and training that assist with the identification and management of invasive plants which pose a substantial threat to Ontario’s environment, economy, and society.

Our membership and contacts include representatives from federal and provincial government agencies, municipalities, First Nations, conservation authorities, agriculture, industry, various non-government organizations, horticulturalists, as well as members of the public such as farmers, and home gardeners. This network provides a valuable forum for knowledge sharing and enables coordinated action towards managing invasive plants.

To learn more about the OIPC please visit our website at www.ontarioinvasiveplants.ca or contact Emily Mitchell Supervisor@OnInvasives.ca

OUR REACH

We have a total of **9,816 followers** between our three social media accounts (Facebook, Twitter, and Instagram).

Our social media posts reach thousands of people across Ontario, Canada, and the U.S. each year. Our top posts in 2023 promoted alternative plants based on our Grow Me Instead guide which reached between 1,500 - 9,000 people.

In October 2023, our website was visited 11,000 times! Our most visited page on our website with 1175 visits in the last month is our Grow Me Instead guide resource, demonstrating the significant value of our information and network throughout the province.

OUR RESOURCES

We have an extensive library of expert information on how to manage invasive plants, including Best Management Practices (BMP) guides for 26 invasive plants. These resources are used broadly throughout Ontario and are often considered the primary resource for professionals managing these plants. Our technical documents, including our “Clean Equipment Protocol” is used both across Canada and the US.

[The Clean Equipment Protocol] has some really great diagrams and checklists for how to clean heavy equipment that are very useful to our contractors.

-Alex Florian, CISMA Coordinator, Michigan, USA

However, the landscape of invasive plants is always changing. In order to keep our documents up to date and to provide the resources that Ontarians need the most, **we rely on the generous support of sponsors like you.**

OUR EVENTS

We regularly host a series of fantastic conferences including our annual Ontario Invasive Plant Conference and our Ontario Phragmites Working Group (OPWG) meeting.

OUR EVENTS EMPOWER ONTARIANS TO TAKE ACTION ON INVASIVE PLANTS.

In 2023, these two events attracted over 200 attendees from across Ontario and beyond! Our events attract a wide range of interested parties, from professionals to concerned citizens.

Our 2024 event series will again be hosted virtually using Remo, our industry leading virtual outreach and networking software.

OUR EVENTS (CONTINUED)

Our 2024 conference event series includes:

FINDING *a* BALANCE

2024

OIPC & OPWG CONFERENCES

Our conference will examine the importance of finding a balanced approach to invasive plant management

The Annual OIPC Conference

January 18, 2024

A one-day event showcasing the latest research, offering education, community-based strategic planning, and opportunities to network.

Last year this conference attracted over 150 attendees.

The Annual OPWG Conference

January 25, 2024

A one-day event showcasing the latest research on *Phragmites* control.

Last year this event attracted over 100 attendees

BECOME A SPONSOR

Sponsorships are critical to our ability to deliver successful events and to provide the resources that you need! We offer opportunities to sponsor both our events and the creation or updating of our resources and technical bulletins. Our sponsors receive excellent brand recognition opportunities through our website, social media, and the documents or events themselves. Specific opportunities to sponsor the OIPC are outlined below.

WHY SPONSOR US

- **Brand Exposure:** Your name will grace our conference materials, reaching hundreds of potential clients and collaborators.
- **Thought Leadership:** Showcase your expertise by engaging with attendees during panel discussions, workshops, and networking sessions.
- **Networking:** Connect with professionals and decision-makers across various sectors, fostering opportunities for growth and collaboration.
- **Prominent Recognition:** Your commitment will be highlighted throughout the conference, underlining your pivotal role in making this event a success.

EVENT SPONSORSHIP OPPORTUNITIES

PLATINIUM SPONSORSHIP

\$20,000

Platinum sponsors are those who love the OIPC and want to get in front of and interact with our membership throughout our messaging, events, and materials that the OIPC offers in 2024. Platinum sponsors are key partners of the OIPC and receive the same benefits as gold sponsors for all our events!

Platinum sponsorship includes:

- First-tier logo placement during the events, on our social media and email marketing, on main event webpage and in the OIPC annual report.
- Special recognition as a platinum sponsor and virtual banner during the event that includes:
 - Custom photo or video,
 - Company description,
 - 3 social media icons and 1 website link
- A 10-minute presentation slot at the event.
- Sponsor booth at the event, including video, images or live chat, which allows you to meaningfully engage and network with our members.
- Event access for up to 10 individuals to attend all presentations and network with attendees during networking sessions and breaks.

GOLD SPONSORSHIP

\$5,000

Gold sponsorships are for organizations that are eager to present their content to our attendees and interact with them live during the event.

Gold sponsorship includes:

- First-tier logo placement during the event, on our social media and email marketing, and on main event webpage.
- Special recognition as a gold sponsor and virtual banner during the event that includes:
 - Custom photo or video,
 - Company description,
 - 3 social media icons and 1 website link
- A 10-minute presentation slot at the event.
- Sponsor booth at the event, including video, images or live chat, which allows you to meaningfully engage and network with our members.
- Event access for up to 6 individuals to attend all presentations and network with attendees during networking sessions and breaks.

EVENT SPONSORSHIP OPPORTUNITIES

SILVER SPONSORSHIP

\$2,500

Silver sponsorships are for organizations that want to have great presence at the event and put their logo in front of our membership.

Silver sponsorship includes:

- Logo placement during the event, on our social media and email marketing, and on our event webpage.
- Virtual banner during the event that includes:
 - Company description
 - 1 website link
- Sponsor booth at the event, including video, images or live chat, which allows you to meaningfully engage and network with our members.
- Event access for up to 4 individuals to attend all presentations and network with attendees during networking sessions and breaks.

BRONZE SPONSORSHIP

\$1,000

Bronze sponsorships are for organizations that want to have great presence at the event but aren't ready to commit to a larger package.

Bronze sponsorship includes:

- Logo placement during the event, on our social media and email marketing, and on our event webpage.
- Virtual banner during the event that includes:
 - Company description,
 - 3 social media icons and 1 website link
- Event access for up to 2 individuals to attend all presentations and network with attendees during networking sessions and breaks.

BECOME A FRIEND OF AN EVENT

\$500

Friends are those smaller organizations or individuals who want to support the event without committing to a larger package.

Friends receive:

- Logo or name recognition during the event and on our event webpage.
- Event access for 1 individual to attend the event.

ONTARIO INVASIVE PLANT COUNCIL SERVICES SUMMARY

WHO WE ARE

The Ontario Invasive Plant Council (OIPC) was founded in 2007 by a group of individuals and organizational representatives who saw the need for a coordinated provincial response to the growing threat of invasive plants. Today, the OIPC is a recognized authority on invasive plants in Ontario, providing resources and training that assist with the identification and management of invasive plants which pose a substantial threat to Ontario's environment, economy, and society.

OUR SERVICES

Some of the services we offer include:

- **Consulting services, expertise**
 - Produce and update rigorous invasive species best management practices and associated technical guides.
 - Create industry/ministry specific best practices guides (ex. roads, forestry, mining), pertaining to clean equipment protocols for the prevention of the spread of invasive species.
 - Deliver high quality, interactive training on invasive plants, management practices, control measures, health & safety, Species at Risk impacts, etc.
 - Leverage our existing event hosting systems and expertise to host your event.
 - Editing/proofing of material, leveraging our invasive species expertise.
- **Technical research and report writing** (BMP, Technical Reports, Guides, etc.)
- **Development of custom municipal Invasive Plant Management Strategies**, or consultation to develop.
- **Training**, customized to a specific plant, region/city, industry, health & safety
- **Presentations & workshops**, Grow Me Instead, *Phragmites*, or customized to your needs.
- **Ecological risk assessments, economic impacts** and value of a species, socioeconomic summaries.
- **Industry Specific Best Management Practices guides** for industry sectors such as the building development industry, aggregate, energy, and parks etc.
- **Organizational support** – apply our skills, experience and systems to assist you! Surveys, meeting facilitation, if you need help, lets chat!
- *And more!*
